

Construction Law Power Seminar: Critical Legal Updates Impacting the Construction Industry in 2016

SmithAmundsen, Lombard, IL
February 11, 2016 | 8:30 am - 3:00 pm

Are you and your company fully prepared for the legal issues impacting the construction industry?

SmithAmundsen invites you to a *complimentary* program on the laws and regulations impacting the construction industry!

This day-long program will review key legal issues and developments impacting the construction industry in 2016. The program will include a review of important legal issues, discuss the practical impact of those issues, and identify suggested best practices for addressing those issues.

Who Should Attend? Construction Industry CEOs, COOs, CFOs, Accountants, Human Resource Managers, Safety Consultants, and Risk Managers.

Our presenters will cover a broad range of important topics, including the following:

9:00 am -- Construction Contract Update

Key construction contract terms and how to update important language to protect your interests

10:00 am -- Protecting The Bottom Line

How to effectively manage accounts receivables using mechanics liens and bond claims

11:00 am -- Reducing High Risk Exposure

How to diminish personal injury risks and manage personal injury claims

12:00 pm -- Lunch

Drones in the construction industry
