

An Employment Lawyer's Conundrum: What Makes a Worker's Compensation Injury Reportable to OSHA and When Do You Report?

USLAW; Webinar

October 13, 2016 | 12:00PM CT (1:00PM ET)

Employers need to be aware of the financial impact that workplace injuries and illnesses can have on their bottom line. The U.S. Department of Labor stated that employers pay close to \$1 billion every week for workers compensation costs.

This webinar, hosted by the USLAW Network, Inc. and taught by Julie Proscia, is designed for in-house and labor and employment attorneys, human resources professionals, company record keepers and safety and risk health managers.
