

Obtained Dismissal With Prejudice of Negligence and Premises Liability Counts

SmithAmundsen obtained dismissal with prejudice of negligence and premises liability counts on behalf of its municipality client defendant in Cook County, IL. The plaintiff claimed that he was a spectator at a sporting event and participated in an activity during a break in the event. The defendant argued that under the Tort Immunity Act, the subject activity which took place during the break qualified as a hazardous recreational activity. The court, after reviewing the briefs, issued its ruling granting the defendant's motion to dismiss.
