Law360 has ranked SmithAmundsen 32nd on its list of Top 100 Law Firms for Female Attorneys. This national ranking is based on the firm's female representation at the partner and non-partner levels, and its total number of female attorneys. Another report by Law 360 revealed that the number of women in the legal field is lacking overall, so this accomplishment is received with great pride!

The firm's Committee for Diversity and Inclusion promotes an environment of inclusion and celebrates the outstanding work of its female attorneys. The Law360 award comes in the wake of a multiplicity of awards received by female SmithAmundsen attorneys, as well as promotions. Congratulations to all!
